

FISCAL NOTE

SB 3167 – HB 3379

January 25, 2008

SUMMARY OF BILL: Modifies procedures for the request of new positions for deputies and assistants for certain county officials by stating that funding rendered after September 1 will not be effective until the beginning of the next fiscal year. Under current law funding must be provided when the decree is issued. However, with the approval of the county legislative body, the county mayor may enter into a settlement agreeing to an effective date in the current fiscal year.

ESTIMATED FISCAL IMPACT:

Local Gov't. Expenditures – Cost Avoidance – Exceeds \$100,000

Assumptions:

- Legislation does not change current law regarding hearings.
- Legislation delays expenditures of county funds for additional positions and/or salaries until the fiscal year following the fiscal year in which the request was deemed necessary. A more precise amount cannot be determined, but can be reasonably expected to exceed \$100,000.
